English for Research Publication and Presentation Purposes
a.a. 2022-2023
Instructions for booking and accessing the Placement Test

To **book** it is necessary:

- To obtain an account on the CLI (Centro Linguistico) website at page:
  https://www.cli.unipi.it/registrazione selecting the category "Post lauream".

  If you already have an account, you do not need to register again; the category to which you belong, if not correct, will be updated by the CLI didactic secretariat.
  (You can retrieve your credentials via the link https://www.cli.unipi.it/recupera; should you have any problems, please contact cli@cli.unipi.it)
- To access the CLI website with the credentials obtained.
  From your homepage, within the "Courses" section (green band), book your English Placement Test **"ERP_PhD_I_anno".**

To **access** the Placement Test it is necessary:

Starting from 11.00 of the first working day after booking:

- Connect to the site https://elearning.cli.unipi.it/
- Access ("Login with your CLI credentials" on the top right) with your CLI credentials by placing in front of your username the minus sign "-"
  (example: login: -xxxxxxxxx / password: the same as the CLI site)

- Connect to the link: https://elearning.cli.unipi.it/course/view.php?id=4390 or go to
  Home / Corsi / Corsi CLI online / CORSI CLI online a.a. 2022-23 / Inglese / Corsi ERP / Corsi ERP - dottorandi primo anno / ing_22_ERP_PT (Placement test)
- Both for the written and the oral test, select the session you prefer and confirm your booking.

On the day of your written test, at the chosen time:

- Connect to the link https://elearning.cli.unipi.it/course/view.php?id=4390
- Log in ("Login with CLI credentials" on the top right) with your CLI credentials by placing in front of your username the minus sign "-"
- Select "Placement test - written" and take the test.
- A supportive chat to handle any eventual technical issues will be available.

On the day of the interview:

- Connect to the link https://elearning.cli.unipi.it/course/view.php?id=4390
- Log in ("Login with CLI credentials" on the top right) with your CLI credentials by placing in front of your username the minus sign "-"
- Select "Placement test - oral" and wait for ERP Lecturers' instructions.
