

# SUMMER SCHOOL

## LANGUAGE IN EDUCATION RESEARCH: ECOLOGICAL AND MIXED METHODS APPROACHES

*Louvain-la-Neuve (Belgium), 7-10 August 2024*

**Organized by the Circle U  
Multilingualism, Interculturality, and Language lab (CU.mil)**

### WHAT?

- A refreshing program with talks reporting the most recent advances in the field and hands-on sessions on ecological and mixed methods research.
- Participants receive specialized feedback, become familiar with practice examples and actively engage in discussion.

### FOR WHOM?

- Interested researchers in the fields of applied SLA, instructed SLA and educational research.
